

Tremble

Mindy McCready

It's like you're holding my heart in your hands
And for a moment, I can't breathe
More now forever there in your eyes
Oh the way you move me, I can't help it, I

Tremble
Every time that we touch
It's a shock to my soul
I'm shakin' all over
Baby it's just too much
Cuz your kiss
Always leaves me like this
I have no defenses
Lost all control
Something about your love
Makes me tremble
Oh I tremble

Baby for the first time I'm so completely lost
Somehow I'm right where I belong
Feel you like sunlight rushin through my veins
No one else could ever make me feel this way

Tremble
Every time that we touch
It's a shock to my soul
I'm shakin all over
Baby it's just too much
'Cuz your kiss
Always leaves me like this
I have no defenses
Lost all control
Something about your love
Makes me tremble
Oh I tremble

I'm falling apart
Here in your arms
'Cuz I need you
Look at me baby
I just can't help it
I love you

Oh your kiss
Always leaves me like this
I have no defenses
Lost all control
Something about your love
Makes me tremble
Oh I tremble
Oh I
Tremble
