

# Disappointed

Mindy Smith

i'm disappointed in the outcome  
you're supposed to be my one and only  
i hope you're happy in your empty  
house that you have cleansed of me

and it looks like you are glad  
you have made me very sad  
its a struggle just to let you go

when you keep sneaking into my dreams  
acting like things are fine and dandy

and it will be but im  
gonna need a little more time  
its a struggle just to let you go

and i want to, i do  
wanna be over you  
its a struggle just to let you go

im disappointed in the outcome  
you're supposed to be my one and only
