

## The Last Enemy Defeated Is Death

Ministry of Magic

The last enemy defeated is death  
The last enemy defeated is death  
Neither shall live while the other survives  
The last enemy defeated is death

The last enemy defeated is death  
The last enemy defeated is death  
Neither shall live while the other survives  
The last enemy defeated is death

And I shall be open at the close  
As I rely on our greatest hope  
And I shall be open at the close  
As I rely on our greatest hope

Ooooooh! The last enemy defeated is death!

The last enemy defeated is death  
The last enemy defeated is death  
Neither shall live while the other survives  
The last enemy defeated is death

The last enemy defeated is death  
The last enemy defeated is death  
Neither shall live while the other survives  
The last enemy defeated is death

I shall be open at the close  
As I rely on our greatest hope  
And I shall be be open at the close  
As I rely on our greatest hope

Oooh!
