

I Don't Wanna Hear It

Minor Threat

I don't want to hear it
All you do is talk about you
I don't want to hear it
'Cause I know that none of it's true
I don't want to hear it I'm sick and tired of all your lies
When are you gonna realize...

That I don't want to hear it
Know you're full of shit

Shut your fucking mouth
I don't care what you say
You keep talking
Talking everyday
First you're telling stories
Then you're telling lies When the fuck
Are you gonna realize

That I don't want to hear it
Know you're full of shit
