

# The Politics Of Time

Minutemen

Man's law  
Man creates Hitler  
From the grassroots  
To the UN  
A year a minute  
Man's setting watches

On/off Hitlers  
Time dictates order  
We must be schizo  
To buy the bullshit!

We're time nazis  
We strip out tunes  
We jam econo  
Makes us stench
