

Another Round Of Gwent

Miracle Of Sound

Be you a lass or be you a gent
You'll never pass on a round of Gwent!
When your mail is a-mauled and your blades are a-bent
Take a rest from it all it all with a round of Gwent

Long shall we play
To wile away the days
Another round of Gwent!
Another round of Gwent!

A coin for the bard
And drop another card
Another round of Gwent
Another round of Gwent

When you're drowning in tears and your heart is a-rent
Bring back your cheer with a round of Gwent
When you're stewed, full of beer and your coin is a-spent
Before you disappear, play a round of Gwent!

Long shall we play
To wile away the days
Another round of Gwent!
Another round of Gwent!

A coin for the bard
And drop another card
Another round of Gwent
Another round of Gwent
