

Back To The Start

Miracle Of Sound

I'm on my way now
I'm on my way oh

Gold headlights thread through dirty streets
Our shadows dance beneath our feet
Under the shimmer of a blue moonbeam
Pick up the pieces of a brittle dream

Cos I lost myself somewhere along the line
But I'm pushing through the pain and I feel fine

I'm on my way
I'm back to the start
I've been waiting so long
I'm on my way
I opened my heart
And it made me so strong

I'm on my way now
I'm on my way oh

All I have done, all have seen
All of the places I have been
I tried to fix what could not be repaired
No point in wishing now that life was fair

But the stars are blazing in the sky tonight
The constellations burst and beam their light

I'm on my way
I'm back to the start
I've been waiting so long
I'm on my way
I opened my heart
And it made me so strong

I'm on my way now
I'm on my way oh

And all the hurt we've felt and all the joy we taste
The lessons that we've learned will never go to waste

I'm on my way
I'm back to the start
I've been waiting so long
I'm on my way
I opened my heart
And it made me so strong

I'm on my way now
I'm on my way oh
