

Hell To Pay

Miracle Of Sound

Rip and tear!!!

Wake up, I'm a bullet loosed
Into the heart of a wretched age
I breathe just to beat and bruise
An evolution of the burnin' rage

Gonna get mine
Get outta my way
There's gonna be (GONNA BE)
Gonna be hell to pay!!

Berserk, I'm a brutal fist
Yeah a lone wolf born and bred
I stand on the bones of titans
And my wrath is burnin' lead

Gonna get mine
Get outta my way
There's gonna be (GONNA BE)
Gonna be hell to pay!!

Click click BOOM BOOM
Keep rushing and a running, running
The drumming of the buckshot pumpin
Got molten metal in my veins
Click click BOOM BOOM
Keep rushing and a running, running
A reckoning of lead is coming
I'm kickin in the gates of hell again
Bringer of pain!!
Earthquake on the shores of hell
I will split the plains
Bringer of pain

Rip it
Tear it
Pummel into the red
Rip it
Tear it

Gonna get mine
Get outta my way
There's gonna be (GONNA BE)
Gonna be hell to pay!!

Click click BOOM BOOM
Keep rushing and a running, running
The drumming of the buckshot pumpin
Got molten metal in my veins
Click click BOOM BOOM
Keep rushing and a running, running
A reckoning of lead is coming
I'm kickin in the gates of hell again
Bringer of pain!!
