

## Messing With The Best

### Miracle Of Sound

Growl!  
I'm a black cat bounding  
So you best not cramp my style  
Prowl  
From the shining mountains  
To the fiery isles  
With a wink & a smile

Blinded by my light  
Vigour in my hands  
The joy is in the fight  
Break the blessed and the damned

Watch out because I'm tearing through  
The world is turning black & blue  
Bursting with colour I spin  
I'm gliding on a wave of grace  
I'm riding don't you break my pace  
Built up a hairway to heaven now I'm breaking in!

Hey hey hey!!  
Time to put your mettle to the test now!  
Hey hey hey!!  
Don't you know you're messing with the best now!

Bloom  
Of a thousand flowers  
But beware this butterfly...  
Boom!  
Got a fist of power  
You can fight me but you  
Can't close these eyes

Blinded by my light  
Vigour in my hands  
The joy is in the fight  
Break the blessed and the damned

Watch out because I don't hold back  
Keep pressing cause I'll never crack  
Bursting with colour I spin  
I'm kicking down the gates of hell  
I got you underneath my spell  
Built up a hairway to heaven now I'm breaking in!

Hey hey hey!  
Time to put your mettle to the test now  
Hey hey hey!  
Don't you know you're messing with the best now
