

# Zombie Holiday

Miracle Of Sound

I'm on a fun vacation by the sand and the sea  
Under the clear blue skies of Banoi  
I got a thousand hungry zombies for company  
And there's so much here to enjoy

Got my weighted hammer and I'm bludgeoning skulls  
They go SPLAT! like big juicy peach  
Dead bodies everywhere, such a treat for the gulls  
On the red brown sand of the beach

Bash and bludgeon all your cares away!  
ZOMBIE HOLIDAY!!!  
Blow these undead millionaires away!  
ZOMBIE HOLIDAY!!!

Hum bawappa hum bawappa waay

Slice their guts into spaghetti with electrical machetes  
Give em barbed wire cuts on the legs  
Smash their bones like glass make em choke for toxic gas  
Crack their heads right open like eggs

And you might call us sadistic but I think we're altruistic  
Put em out of their misery  
So if you're in the pickle grab your cleave and your sickle  
And come euthanizing with me!

Bash and bludgeon all your cares away!  
ZOMBIE HOLIDAY!!!  
Blow these undead millionaires away!  
ZOMBIE HOLIDAY!!!

Bash and bludgeon all your cares away!  
ZOMBIE HOLIDAY!!!  
Blow these undead millionaires away!  
ZOMBIE HOLIDAY!!!

Humm bawappa humm bawappa waay...
