

# Can't Get It Back

Mis-Teeq

You can't get it back  
You can't get it back  
You can't can't get get it it back back  
You can't can't get get it it back back

Verse one, when we begun  
You know you had a sister all sprung  
With your tongue  
I thought you were my baby no  
When you were late you always knew the right words to say.  
You got engaged to be married the very next May

As the time moved on  
The love we had got torn  
You used to love me from dusk to dawn  
And a trip of the night till mourn  
Know you wanna change  
I'm sick of you playin' these games  
I'm telling you one thing  
You won't get back  
You won't get back  
This ring  
I gave my love  
And I can't get it back  
gave you my time  
And I can't it back  
Now the ring that you gave me  
You can't get it back  
Cause it's just not going down like that  
I gave you my time and  
I can't get it back  
Gave you all my love and  
I can't get it back  
Now the rings that you gave me  
You want them back  
But its just not going down like that

You can't can't get get it it back back  
You can't can't get get it it back back

Verse two now were through  
Too much times been wasted on you  
But its cool with a glass shoe on another young fool  
I accept that your friend  
And couldn't take the heat so you stepped  
Now I said don't come back with nothing  
Cause you've left  
As the time moved on  
The love we had got torn  
You used to love me from dusk to dawn  
And a trip of the night till mourn  
Know you wanna change  
I'm sick of you playin' these games  
I'm telling you one thing  
You won't get it back  
You won't get back  
This ring

I gave my love  
And I can't get it back  
gave you my time  
And I can't it back  
Now the ring that you gave me  
You can't get it back  
Cause it's just not going down like that  
I gave you my time and  
I can't get it back  
Gave you all my love and  
I can't get it back  
Now the rings that you gave me  
You want them back  
But its just not going down like that  
Boy let me tell you this  
Don't you now  
You can't get back what you put in this relationship  
That includes this ring cause I now that  
I can't get back (all my kiss my huggin and lovin)

Shake it  
We had a happy environment  
I put all this time  
I gave you my all and  
Even met your requirements  
Now your going and cheating  
Coming and smiling you can say what u want  
Cause you ain't getting this diamond  
Ha  
You tip toe  
Just keep you zip closed  
But you can take me for a ride  
But if you knock on my door  
Were gonna collide  
I gave my love  
And I can't get it back  
Gave you my time  
And I can't it back  
Now the ring that you gave me  
You can't get it back  
Cause it's just not going down like that  
Hey  
I gave you my time and  
I can't get it back  
Gave you all my love and  
I can't get it back  
Now the rings that you gave me  
You want them back  
But its just not going down like that
