

Apologies Denied

Misery Inc.

Breathing my last breath away.
Playing king just one fool day.

I should have known, who's the clown of this show.

Something is about to end.
Killing seems to be a trend.

I should have known, who's the clown of this show.

The day of denying. The day of denying.

Eye to eye, you can't hide, from my rage inside.
All your apologies denied. One good truth denied.
Eye to eye, you can't hide, from my rage inside.
All your apologies denied.
Apologies denied.
Apologies denied.
Apologies denied.
Apologies denied.

Eye to eye, you can't hide, from my rage inside.
All your apologies denied. One good truth denied.
Eye to eye, you can't hide, from my rage inside.
All your apologies denied.
Apologies denied.
Apologies denied.
Apologies denied.
Apologies denied.
