

Bottom Feeders

Misery Index

March of the animals

The indication of a time where the passion of man is lived through fiction

Feed off of the bottom line

Let entertainment be the last refuge for mass opinion

Spouting the antidotes- another preacher of the right paints the world in black and white terms.

Last time in the end zone

It's hard to care when the world outside has guns against your head

Castigate then sedate

Convert problems into 'need's then download and erode

Let circuits replace all emotion.

Bottom feeding

Dragging us across the desert of the real...

Led up to the trough to be fattened up

Human pigs so ripe for feasting

Following the rules

Unquestioned-the animal farm falling under siege...

Rigging the hooks on the virgin nation

The mediated paradise unfolds

The outcome a process of brain starvation

Habituate the viewers into clones
