

# Ruling Class Cancelled

## Misery Index

Class is canceled!

Counter-hegemonics,  
Multitudes in swarm  
On nations at the center  
who watch their world deform

This global insurrection was given birth by the ruling class

And the children of empire -whose world this is to take  
Open up the Seventh Seal and watch the West decay..decay! (2x)

Apocalyptic riders, above black horse's hooves  
Have come to reap their harvest, to taste their labor's fruits

O' begotten Caesar!  
You can't deny what is theirs...  
And quickly you forget  
Just how YOUR West was won...

...then lost.
