

Day of the Dead

The Misfits

Hell is full time to empty
Human flesh feeding frenzy
Whoa oh, "Here comes the dead"

Open graves, ghouls a plenty
Zombie army machine is ready
Whoa oh, "Here comes the dead"

When the dead come arising
You see their eyes, you're hypnotized and
They eat your guts out
And now you're the "Living Dead"

When the dead come arising
You see their eyes, you're hypnotized and
They eat your guts out
And now you're the "Living Dead"

Oh, oh, "here comes the dead"
Oh, oh, "here comes the dead"
Oh, oh, "here comes the dead"
Oh, oh, "here comes the dead"

"Here comes the dead"
"Here comes the dead"
"Here comes the dead"

Here comes, here comes the dead
