London Dungeon

The Misfits

They called us walking corpses Unholy living dead They had to lock us up Put us in their British hell

Make sure your face is clean now Can't have no dirty dead All the corpses here are clean, boy All the Yanks in British hell

I don't want to be here in your London Dungeon I don't want to be here in your British hell Ain't no mystery why I'm in misery in Hell Here's hoping you're swell
