But they way she lookin at me
Got me wantin to slide up on it
And break you off
So girl don't stop it now
Bring it back up top
Break me off
I like the way your droppin it
And I like the way your poppin it

She had me goin crazy
How she rockin it and bounce wit da bass
Hold up wait a minute
Wanna get wit it she thought I could get wit it
I'm the one so please believe
If you're lookin for a youngster roll wit me
Cuz I'ma show you how we get down
Don't know much about it but I'm tryna find out

And I like the way you're poppin it
