Mishon

Dance with you, dance with you, dance with you,  
See you on the corner, so I thought that I will join you,  
But you was looking all mad cause you're sick and tired of all  
these dudes up on you,  
And I ain't tryin be like that, I can only stick around what we  
have,  
To let you know that I'm only interested in her.

So what I gotta do to get on the flow  
Girl I promise you I'll have you coming back for more,  
'Cause I ain't tryin get your number, I ain't nothing like them  
others  
Baby girl I just wanna dance with you,  
Baby I ain't tryin be your man ohh, just want you to understand  
,  
All that I'm tryin do is dance with you, dance with you,  
Dance with you, dance with you.

I see you with your girlfriends and all ya'll dancing  
But I'm watching you, can none of them do it like you do,  
So why I gotta be like that, I ain't nothing like the m other c  
ats  
Just wanna let you know, I'm only interested in her.
