

Diamond

Mishon

Yeah...

Woah...

She the type of girl that makes you wanna run and tell your mam
a that I found her {I found her yeah, yeah...}

She the type of girl that makes you wanna put it up on your twi
tter that I found her {I found her}

It's something about the way that she moves yeah {yeah}. Yet it
's so innocent, and I'm so into it, I can't pretend. Could it b
e possibly she's the new girl? The one I've never seen, except
maybe in my dreams or on T.V.

When I get to talkin about her my friends say{hey}, that I just
get the smilin and textin her all day{hey}. They say that I'm
too young to be talkin bout always {hey}...

Her mama was so right to name her...Diamond

'Cause she's so rare, I swear, one of a kind, so fine..

And it's easy to see that you're a diamond; and I can't help bu
t notice that you shine so bright (you shine so bright, baby)
{Wooooaaaah...}

She the type of girl that makes you wanna step up in the party,
just to see her {to see her yeah, yeah}

And she the type of girl that makes all of the other girls that
surround her wanna be, be her{they wanna be her}

'Cause it's something about the way that she moves yeah {yeah}
Yet it's so innocent, and I'm so into it, I can't pretend. Coul
d it be possibly she's the new girl? The one that I've never se
en, except maybe in my dreams or movie screens.

When I get to talkin about her my friends say {hey}, that I jus

ENDING...

You don't even know how beautiful, you are. If your name wasn't
Diamond, your name should, be Star.

Baby you {Baby you} Baby you {Baby you} Baby you...

CHORUS.

Her mama was so right to name her...Diamond

'Cause she's so rare, I swear, one of a kind, so fine

And it's easy to see that you're a diamond; and I can't help but notice how you shine...baby you shine, baby...

{Wooooaaaahh...}
