

# Luckiest Man

Mishon

Couldn't let you walk down the street without me saying something to you  
Cause girl you are so fine (girl you are so fine)  
When you told me your name that's when I knew  
That I had to make you mine

You got me like Jodecy, I'm fienin  
I can barely get anything done cus I'm thinking of you  
Of all the things I'm dreaming  
Til you bring your fine ass around  
Til you bring your fine ass around  
And I be like

I'm the luckiest man in the world, I'm the luckiest man in the world  
I'm the luckiest man in the world, I'm the luckiest man in the world  
(I got you)  
I'm the luckiest man in the world, I'm the luckiest man in the world  
I'm the luckiest man in the world, I'm the luckiest man in the world  
(I got you)

I'm like Usher, I'm confessing  
All these other girls bad but it gets no better than you  
These niggas think that they got one  
Til I bring your fine ass around  
Til I bring your fine ass around  
And I be like

I'm the luckiest man in the world, I'm the luckiest man in the world  
I'm the luckiest man in the world, I'm the luckiest man in the world  
(Now that I got you)  
I'm the luckiest man in the world, I'm the luckiest man in the world  
(I'm so off it)  
I'm the luckiest man in the world, I'm the luckiest man in the world  
(Every chance I'mma show it  
Damn if I've known this girl, I hope you know that)

Nothing takes the place of you  
Baby ain't no substitute, there ain't no substitute  
Cause you're all that I want and need  
Baby only you can set me free

Problem  
Ride with a winner boo  
Let me show you how to live like a winner do  
Let me moonlight candlelight dinner you  
Interviews then hopefully I enter you later on  
(What?)  
I'm so crazy, I shouldn't have said that  
When I says them lies you lay your head back  
Ain't just looks, I love where your head at  
Gorgeous girl, how often do you hear that?  
Gotta be a lot, hustle never stop  
Understand I'm no common man but I'm off block still  
And I know BS you will not deal with  
My mama told me I will feel like this one day, feel like this one day  
Gotta know that one day will be Monday  
Considering the fact that I met you Sunday  
I think this every time we kiss

Still do

I'm the luckiest man in the world, I'm the luckiest man in the world  
I'm the luckiest man in the world, I'm the luckiest man in the world  
(I got you)  
I'm the luckiest man in the world, I'm the luckiest man in the world  
I'm the luckiest man in the world, I'm the luckiest man in the world  
(I got you)
