

# When I Get Older

Mishon

Yeahh  
Oohh ohh  
Oohh yeah

I'm at school not knowing what I'll be  
Not realizing that I can just be me  
I got a lot of girls in dreams no one else can see  
But when I grow up it's gonna be reality  
Goin from show to show  
I'm on the radio  
My own video as far as my eyes can see  
There's nothin that can stop me from being who I wanna be  
It's up to me

I might have a big house out on the lake  
7 bedroom mansion with a gate  
I got a lot of plans and I can't wait  
'til I get older  
When I get older, older  
Going shopping at the mall and buy it up  
24 with shoes up on my truck  
Me and my girl we gonna do it up  
When I get older  
When I get older, older

I'm gonna have a girl like beyonce  
No matter where I go  
I'm not afraid to say her name(say her name say her name)  
Gonna own a lot of businesses  
Not knowing how great this is  
Flying my private jet you ain't seen nothing yet  
There's nothin that can stop me from being who I wanna be  
It's up to me

I might have a big house out on the lake  
7 bedroom mansion with a gate  
I got a lot of plans and I can't wait  
'til I get older  
When I get older, older  
Going shopping at the mall and buy it up  
24 with shoes up on my truck  
Me and my girl we gonna do it up  
When I get older  
When I get older, older  
(2x)

When I grow up I'm a be an important kinda guy  
Makin trips over seas in the spanish  
Enjoy myself and live a lavish life  
Doin what I got to do  
To prove to you  
That I'm a shinee

I might have a big house out on the lake  
7 bedroom mansion with a gate  
I got a lot of plans and I can't wait  
'til I get older

When I get older, older  
Going shopping at the mall and buy it up  
24 with shoes up on my truck  
Me and my girl we gonna do it up  
When I get older  
When I get older, older
