

Billy's Got A Gun

Miss Li

It's tragic
no one never really knew Billy Boy
he was quiet
he never really used to talk to anyone
oh Billy
he was born to be an unwanted son
always lonely
no, no one's used to care about him at all

but Billy's got a gun
Billy's got a gun
he's waving and pointing
and bragging and posing
but billy
what have you done

It's tragic
Billy never got to know this thing called love
his mom was drinking
and his dad was never home
oh Billy
Life can be hard for some
some are lucky
and some put their luck into a gun

Billy's got a gun
Billy's got a gun
he's waving and pointing
and bragging and posing
but billy
what have you done

Billy's got a gun
Billy's got a gun
he's waving and pointing
and bragging and posing
but billy
what have you done

Billy
Oh Billy
it ain't easy being
Billy
Everyone is teasing you

Billy's got a gun
Billy's got a gun
he's waving and pointing
and bragging and posing
but billy
what have you done

Billy's got a gun
Billy's got a gun
he's waving and pointing
and bragging and posing
but billy
