

## It Ain't Over

Miss Li

I was thinking me and you, not you and her  
My thought was crystal clear, but she was never there.  
Oh, God, I wish that she could disappear,  
But it ain't over 'till it's over,  
It ain't over 'till it's over.

And I am watching you, but you are watching her.  
She's saying that stupid comment, she's such a shallow girl.  
And here's you standing with that swanky smile,  
But it ain't over 'till it's over, it ain't over 'till it's over.

I guess you haven't told her how you and me used to kiss,  
If not, I'll be the first in line to punch you with that fist.  
If that is what it takes to get you back,  
then it ain't over 'till it's over,  
It ain't over 'till it's over.

'cause in my mind I fill our house,  
We've got a car, a dog  
And we are so in love.  
And know we've got seven kids,  
They're just the perfect mix,  
More you than me, of course.  
You're out fixing the leaking roof,  
I'm in the kitchen, making soup.  
I gotta fit this dress,  
And now she's coming in here and she's making such a mess.

I wanna run, I wanna scream,  
I want a hundred dollar ring you give to me.  
I'm gonna run, I'm gonna fight,  
I'm gonna chase you every day and every night  
'till you're with me.

It ain't over 'till it's over,  
It ain't over 'till it's over,  
It ain't over 'till it's over,  
It ain't over 'till it's over,  
It ain't over 'till it's over.
