

Russian Roulette

Miss Li

Life is a bullet it can strike your heart, and fast
And suddenly your life is a mess
Life is a knife and it can cut you bad, in broken glass
You don't know how long it will last

And now it's my turn sitting in the waiting room
Hoping that it will go ea-sy on me (on me)

Life is like Russian roulette,
You never know what you're gonna get
Life is like Russian roulette,
She know what you'll get

Life is a wolves
And I'll watch you for the darkest seas
But rain keeps falling on me
And making deals with the devils
And the holy three
But we never seem to agree

And now it's my turn sitting in the waiting room
Hoping that it will go ea-sy on me (on me)

Life is like Russian roulette,
You never know what you're gonna get
Life is like Russian roulette,
She know what you'll get

Life is like Russian roulette,
You never know what you're gonna get
Life is like Russian roulette,
She know what you'll get

What you're gonna get
What you're gonna get
What you're gonna get
What you're gonna get
