

## Take A Shower!

Miss Li

Why don't you want to take a shower with me baby  
Why do you keep saying maybe maybe  
Is it something I have done so tell me now  
Do you think I have done you harm  
Or is it something you have done that shouldent have been done  
Have you been out having too much fun  
Tell me baby tell me baby or I lose my mind  
Don't you know my love for you is blind

Why don't you want to cuddle with me baby  
Why do you keep saying maybe maybe  
Is it something I have done so tell me now  
Do you think I have done you harm  
Or is it something you have done that shouldent have been done  
Have you been out having too much fun  
Tell me baby tell me baby or I lose my mind  
Don't you know my love for you is blind
