Somethings haven taken over who I am.

I went cold, I went cold, finding my way back.

Places only seen by ones will want to be.

Lost consumes masses of a dying breed.

Hammered through life a nail to seal this demise.

This light will show forever and a day.

This is where I want to be.
Where there's comfort in everything.
This is where I want to be.
I have made it here from nothing.

No recognition of who you are.

Don't you see, don't you see, this is where I want to be.

Your only making excuses to hide what the truth is.

Your only making a fool of yourself.

Unthought out excuses.

Your only making a fool of yourself.

Unthought out excuses.

This is where I want to be. Where there's comfort in everything. This is where I want to be.

This is where I want to be. Where there's comfort in everything. This is where I want to be. I have made it here from nothing. (3x)

(Your only making excuses to hide what the truth is. I have made it here.
This is where I want to be.
But this is only half way there.
Somethings have taken over who I am.)
Take it all back from where you came.
