

Feel

Miss Montreal

I give away all my thoughts now
I give away all the pain
To be more than just a person
I have to tell everyone

And I feel so much better
I can feel everything
This is all that matters
I can feel everything

I know what people are thinking
But most of them don't know
What it's like to lose you
To them it's just one big show

But I feel so much better
I can feel everything
This is all that matters
I can feel everything

And I feel so much better
I can feel everything
This is all that matters
I can feel everything

Feel
I can feel
I can feel
I can feel everything

I give away all my thoughts now
I give away all the pain
To be more than just a person
I have to tell everyone
