

# Walking In La

## Missing Persons

Look ahead as we pass, try and focus on it  
I won't be fooled by a cheap cinematic trick  
It must have been just a cardboard cut out of a man  
Top forty cast off from a record stand

Walkin' in LA  
Walkin' in LA, nobody walks in LA  
Walkin' in LA  
Walkin' in LA, nobody walks in LA

I don't know could've been a lame jogger maybe  
Or someone just about to do the freeway strangler baby  
Shopping cart pusher or maybe someone groovy  
One thing's for sure, he isn't starring in the movies  
'Cause he's walkin' in LA  
Walkin' in LA, nobody walks in LA  
Walkin' in LA  
Walkin' in LA, only a nobody walks in LA

Walkin' walkin' walkin' walkin' walkin'  
Nobody's walkin' walkin' walkin' walkin' walkin'  
Nobody's walkin' walkin' walkin' walkin' walkin'  
Nobody's walkin' walkin' walkin' walkin' walkin'

You won't see a cop walkin' on the beat  
Nobody's walkin' walkin' walkin' walkin' walkin'

You only see 'em drivin' cars out on the street  
Nobody's walkin' walkin' walkin' walkin' walkin'

You won't see a kid walkin' home from school  
Nobody's walkin' walkin' walkin' walkin' walkin'

Their mothers pick 'em up in a car pool  
Nobody's walkin' walkin' walkin' walkin'

Walkin' in LA  
Walkin' in LA, nobody walks in LA  
Walkin' in LA  
Walkin' in LA, nobody walks in LA

Could it be that the smog's playing tricks on my eyes  
Or is it a roller skater in some kind of headphone disguise  
Maybe somebody who just ran out of gas  
Making his way back to the pumps the best way he can

Walkin' in LA  
Walkin' in LA, nobody walks in LA  
Walkin' in LA  
Walkin' in LA, nobody walks in LA  
Walkin' in LA  
Walkin' in LA, nobody walks in LA  
Walkin' in LA  
Walkin' in LA, only a nobody walks in LA

Nobody's walkin' walkin' walkin' walkin' walkin'  
Nobody's walkin' walkin' walkin' walkin' walkin'

Nobody's walkin' walkin' walkin' walkin' walkin'  
Nobody's walkin' walkin' walkin' walkin' walkin'  
Nobody's walkin' walkin' walkin' walkin' walkin'  
Nobody's walkin' walkin' walkin' walkin' walkin'

Nobody walks in LA
