Missy Elliott

We started in 1997  
And finished in 1999  
Ha, she brought you "The Rain"  
"Sock it to me"  
"Beep me 911"  
And now it's a new year  
Not the year 2G  
But the year do G  
"She's A Bitch"  
Definitely the Bitch-to-be right about now

That's right  
Timbaland  
Missy Elliott  
Bring to you  
the future  
And I am Morpheus  
If you go to your local phone booth  
You can find out what I have to say  
About the bitch ;i
