

# You Just Like Me Cause I'm Good In Bed

Missy Higgins

You just like me 'cause I'm good in bed  
You just like me 'cause I'm good in bed  
Yeah, that's what your girlfriend said  
You just like me 'cause I'm good in bed  
Good in bed  
Good in bed

Well I'll meet you at the pub  
At two minutes to ten  
You're all ready to go  
With six bottles of beer  
And a sneer on your face  
Well I'd run  
But I'm much too slow

You just like me 'cause I'm good in bed  
Yeah that's what your girlfriend said  
You just like me 'cause I'm good in bed  
You just like me 'cause I'm good in bed

At half past one  
Well I'm flat on the floor  
Caught like a rat in a trap  
Fifteen times a week  
And you still want more  
Oh God, you talk such crap

You just like me 'cause I'm good in bed  
Yeah, that's what your girlfriend said  
You just like me 'cause I'm good in bed  
You just like me 'cause I'm good in bed

You just like me 'cause I'm good in bed  
Yeah, that's what your girlfriend said  
You just like me 'cause I'm good in bed  
Oh, you just like me cause I'm good in bed

You just like me, yeah  
You just like me  
You just like me 'cause I'm good in bed
