

Dummy Head

MØ

Under the sun, I was born lucky
Raised by a water gun, spot on my body
A life on rollerblades, did you know
That songs from the gutter will lead you so

Oh, oh Lord, feed my belief
Let the war in my head go
'Cause I never, ever really wanna know

Nothing to do
The world is boring, I'm so lonely
Nothing to do
Dummy head, bikini daze
Life is a daydream, we're dead anyway

Yo!

You're like a fire, burns in my alley
Don't know how we get there, but I wanna marry
A guy on rollerblades, did you know
As pure as the sky, as the lights in my soul

Oh, oh Lord, feed our beliefs
Let the pray fucking go on go
We never, ever really wanna know

Nothing to do
The world is boring, I'm so lonely
Nothing to do
Dummy head, bikini daze
Life is a daydream, we're dead anyway

As the sun goes down, I dream of leaving town
Maybe I will tomorrow and when the darkness arrives

Nothing to do
The world is boring, I'm so lonely

Nothing to do
The world is boring, I'm so lonely
Nothing (we got nothing) to do
Dummy head, bikini daze
Life is a daydream, we're dead anyway

Yo!
