

I remember the first time I was in love  
It was all the way back in 1997  
I stole my mama's cell phone, yes, and I was turning it up  
Tracked down your number, boy  
I was so in love, I thought I was in heaven

It was so beautiful, the love we had, the love we had  
Can't believe we let it pass, we let it pass  
So beautiful, but you were right, yes you were right  
We couldn't last, but what a blast we had

I know you're hurting, I know your heart, it aches  
For someone's lovin', ooh ooh  
But the sun shines when the cloud breaks  
I know you're hurting, I know your heart, it aches  
For someone's lovin', ooh ooh  
But the sun shines when the cloud breaks

I remember the first time they caught us drinking  
We were out there hanging on our bicycles glowing wheels  
I had stole my dad's liquor, yeah, and we were turning it up  
High as a kite man we were so in love, so high above

So beautiful, the love we had, the love we had  
I can't believe we let it pass, we let it pass  
So beautiful, but you were right guess you were right  
We couldn't last, but what a blast we had

I know you're hurting, I know your heart, it aches  
For someone's lovin', ooh ooh  
But the sun shines when the cloud breaks  
I know you're hurting, I know your heart, it aches  
For someone's lovin', ooh ooh  
But the sun shines when the cloud breaks

Come on grab my hand, honey  
Don't you wanna be wild with me?  
Just like we used to be back then, oh, oh, oh  
Come and grab my hand, honey  
Don't you wanna dance with me?  
Just like we used to do so devoted to the music

I know you're hurting, I know your heart, it aches  
For someone's lovin', ooh ooh  
But the sun shines when the cloud breaks  
I know you're hurting, I know your heart, it aches  
For someone's lovin', ooh ooh  
But the sun shines when the cloud breaks  
I know you're hurting, I know your heart, it aches  
For someone's lovin', ooh ooh  
But the sun shines when the cloud breaks
