

Sinister Light

Mob Rules

Careful my friend! In the mire awaits your fate
Family's curse, depths of night, fiery teeth, glowing eyes - ho
und of the damned

Enforcer of death he will savage your legacy
Crimson dusk, fading light, a sound in the haze, brace yourself
for

Sinister light
Sinister light
Sinister light
In the moor of your bane where the hound scents its prey

Careful my foe! In the mire revealed your fraud
I'm your curse, deep at night, tracking your guilt like a hound
- sealing your fate

What remains? Radiant reason consumed the dark.
But if you doubt, there's a road to insanity at the dusk of
