Everything is real inside my mind; these days you can't make it if you ain't affiliated with crime A lifetime of street living Throughout the beef I've accumulated many slugs have been given But wilding ain't the way to be living You're only gonna end up bloody on a floor shivering Or locked up, caught inside the beast Meanwhile on the street saying no more peace My man, Sto-Bo, kid hold your own In a cell locked down not far from home And at the same time on the outside I'm representing Still packin heat make you cowards keep stepping Getting high, it's cause of the lye, I can't lie I could move the crowd poppin slugs in the sky Why come around if you afraid of what's over here My man Havoc put the bug in my ear

On the real, for real, but wait it gets realer Real like an innocent child that turn killer It's thing like that that only makes things iller and makin cream doin sticks if you ain't a drug dealer
