The Realest

This the killa's shit dun No Doubt .The undisputed..

Mobb Deep

R: For street niggas livin with they lives on the line For young guns comin' up during these times For police that find drugs let niggas slide For niggas out slinging like 4 in the night For your mans not snitchin' when the pressure is tight For pistols that don't jam when it's time to strike For bootleg liquor on a Sunday night This be the realest shit you heard in your life. Yo When the gats reveal You cats get peeled and that's the deal Fuck a bitch-ass that switch fast niggas that lack the real When the slugs burst G.Rap be aiming at your mug first Niggas is blood thirst We'll see who get plugged worst We dug earth The place you put the nickel-plate is to your facial Bullets ain't racial kid the only hate you My nine will seem like it's a time machine B.C. date you Jacking you more than ripper My fifth's an organ shifter The human organism lifter You'll be hearing organs If ya leaving orphans, If ya Let these fours hit ya where the law split ya A fork pitcher To bump heads with those that dump lead Accurate shot in back of your knot Leave you one dead G.Rap, Havoc and Prodigy Let's put these bitch niggas where bodies be dun Yo if it gotta be, it gotta be R: Yo when the gat spit Some niggaz get blown off the atlas It happens unsolved mystery re-enatmus Get practiced what you lack is You think like the average Jake stoop down and leavin' crime scenes entangled Nothing but cannons get conspicuous Like a man a little branded with the serial scratched Wild out a part of the pack 'cause they made me like that If I could push back the clock probably leave it like that Draw blood for my nigga G.O.D, Ty Nitty and Twin And Twin is not here plus my kin Killa B forever with me Quick to settle with me Into QB to show love throughout the years with me You got guns we got guns the serious ones Leaving foul powder stuck in your lungs We come from where niggas look out for they dun-duns Love never disrespect hit shit to re-direct

Never prejudge It be the humble that squeeze slugs It be the ones standin' still that'll peel guns Spill blood for my duns thuggin' for me Man you don't wanna get involved fuckin' with Pee I spent more nights illin' less nights chillin' The more shots they hold the better they feel it What be the dealizz Some killas like to hide behind specs Others got blatant disrespectin' the rest Or so young that you wouldn't even expect To be burstin' off guns like a vietnam vet On the steps Sittin' in the staircase bent Thinkin' on ways to take another man's head Go to war with niggas that's against what I rep I settle things with a heavy metal fifth Change clips Switch clothes after I spit Put niggas back in they place for shit that's on the mind kid
