

All Is Forgiven (Parts I-II-III)

Mobile

I been livin' a very sheltered life.
For better or worse I've followed my dreams
To the end of the line.

I am gonna miss this beautiful life.

I played my parts and I rolled the dice.
For better or worse I lived my life to the fullest
And I never looked back.

I am gonna miss this beautiful life.

Take my hand, while I fade away.
Take my hand, I can start again.
All is forgiven; all is forgotten;
Soon I'll be gone without a trace.

I am gonna miss this beautiful life.

Take my hand, while I fade away.
Take my hand, I can start again.

Beautiful life
Passin' me by
Beautiful life

Take my hand, while I fade away.
Take my hand, I can start again.
All is forgiven; all is forgiven;
All is forgiven; all is forgiven.

Can't come home, home again
All is not forgiven.
Can't come home, home again
All is not forgiven.
Can't come home, home again
All is not forgiven.
Can't come home, come again
All is not forgiven.

All is forgiven; all is forgotten.
I will kneel and pray.
All is forgiven; all is forgotten.
Less than nothing to say.
All is forgiven; all is forgotten.
Everything is in place.
All is forgiven; all is forgotten.
There is nothing to say.
