

Extreme Ways

Moby

Hmi

1. Extreme ways are back again
Extreme places I didn't know

A

I broke everything new again
Everything that I'd owned

Emi

I threw it out the windows, came along
Extreme ways I know, will part

Hmi

The colors of my sea
Perfect color me

2. Extreme ways that help me
They help me out late at night
Extreme places I had gone
But never seen any light
Dirty basements, dirty noise
Dirty places coming through
Extreme worlds alone
Did you ever like it planned

Emi

I would stand in line for this

D

There's always room in life for this

Hmi

R: Oh baby, oh baby

A

Then it fell apart, fell apart

Emi

Oh baby, oh baby

Hmi

Then it fell apart, it fell apart

Hmi

Oh baby, oh baby

A

Then it fell apart, it fell apart

Emi

Oh baby, oh baby

Hmi

Like it always does, always does

3. Extreme songs that told me
They helped me down every night
I didn't have much to say
I didn't get above the light
I closed my eyes and closed myself
And closed my world and never opened
Up to anything
That could get me along
4. I had to close down everything
I had to close down my mind
Too many things to cover me
Too much can make me blind

I've seen so much in so many places
So many heartaches, so many faces
So many dirty things
You couldn't even believe

I would stand in line for this
It's always good in life for this

R: Oh baby, oh baby...
