

# Voiceless

## Modern Day Escape

Well hello nice to meet you  
I've never seen you here before  
But that's fine  
We got all the time in the world to figure it out

Give our regards to the voiceless  
Because we know exactly how they feel

When the weight of the world is on your shoulders  
Down on one knee  
Praying to god it will be okay  
But you know the truth

So give our regards to the voiceless  
Because we know exactly how they feel  
And I will never leave there sides again

So spread your wings  
And fly away  
Don't ever be afraid to fly
