

## Alone Down There

Modest Mouse

How do, How do you do?  
My name is you  
The flies, they all gather around me and you too  
You can't see anything well  
You ask me what size it is, not what I sell  
(Ha ha ha)  
The flies, they all gather around me and you too  
Well I don't want you to be alone, down there to be alone  
Down there to be alone  
Well I don't want you to be alone, down there to be alone  
Down there to be alone  
But the devil's apprentice, he gave me some credit  
He fed me along, and I'll probably regret it  
I don't want you to be alone, down there to be alone  
Down there to be alone  
Aaahhh...  
I don't want you to be alone, down there to be alone  
Down there to be alone  
Yeah, I don't want you to be alone, down there to be alone  
Down there to be alone
