

## Cowboy Dan

Modest Mouse

Well, Cowboy Dan's a major player in the cowboy scene  
He goes to the reservation drinks and gets mean  
He's gonna start a war  
He hops in his pickup puts the pedal to the floor  
And says "I got mine but I want more"  
Well, Cowboy Dan's a major player in the cowboy scene  
He goes to the reservation drinks and gets mean  
He drove the desert, fired his rifle in the sky  
And says, "God if I have to die you will have to die"  
Well, Cowboy Dan's a major player in the cowboy scene  
He goes the the reservation drinks and gets mean  
I didn't move to the city, the city moved to me  
And I want out desperately  
Can't do it, not even if sober  
Can't get that engine turned over  
Standing in the tall grass  
Thinking nothing  
You know we need oxygen to breath  
Everytime you think you're walking you're just moving the ground  
Everytime you think you're talking you're just moving your mouth  
Everytime you're looking you're just looking down
