## **Talking Shit About a Pretty Sunset**

## **Modest Mouse**

Oh noose tied myself in, tied myself too tight
Looking kind of anxious in your cross armed stance
Like a bad tempered prom queen at a homecoming dance
And I claim I'm not excited with my life anymore
So I blame this town, this job, these friends
The truth is it's myself
And I'm trying to understand myself
And pinpoint where I am
when i finally get it figured out
I've changed the whole damn plan
Oh noose tied myself in, tied myself too tight
Talking shit about a pretty sunset
Blanketing opinions that i'll probably regret soon
I've changed my mind so much I can't even trust it
My mind changed me so much I can't even trust myself
