

Bitter With The Sweet

Moe Bandy

There comes a time in every love when some rain must fall
But our love is strong enough to with stand it all
We're not two kids anymore we know how life can be
We've learned to take the bitter with the sweet.

You know I'd love to see you smile ever single day
And I know how much you tried to love my hurts away
But we both know that we don't live in a world of make believe
We've learned to take the bitter with the sweet.

Sometimes we're up sometimes we're down sometimes in between
But I know that I can lean on you and you can lean on me
So as long as I love you and you love me
We can take the bitter with the sweet.

Sometimes we're up sometimes we're down sometimes in between
But I know that I can lean on you and you can lean on me
So as long as I love you and you love me
We can take the bitter with the sweet.

We can take the bitter with the sweet...
