

## How Long Does It Take (to Be A Stranger)

**Moe Bandy**

How long does it take to learn to love you  
Just long enough to look into your eyes  
And how long does it take to be a stranger  
Just long enough for you to say goodbye.

Just long enough for you to love another  
Just long enough for you to break my pride  
And how long does it take to be a stranger  
Just long enough for you to say goodbye.

Just long enough for you to say goodbye...
