

I've Done Everything Hank Williams Did, But Die

Moe Bandy

I done everything Hank Williams did but die
I stumbled down that lost highway and I saw the light
I done everything Hank Williams did but die
I met a women with a cold cold heart she left me for another fo
r his
Mansion on the hill And I passed her on the street and my heart
fell at her feet
I done everything Hank Williams did but die

I know someday it's gonna come my time
Just like Hank I know I'll never get out of this world alive
I've been in a honky tonk or two I set the woods on fire and we
nt howl'n at the moon
Had a tear in my beer and drank my bucket dry
I done everything Hank Williams did but die
And I know someday it's gonna come my time
