

Let's Get Over Them Together

Moe Bandy

I don't know if we can make it
But baby, let's give it a good try
We're both comin' off of losin'
It ain't easy, tellin' love goodbye

You don't look a thing like her
And I don't guess I measure up to him
Oh, but then, maybe together
We can get each other over them

Let's get over them together
And burn two old memories
Let's get over them together
I'll help you an' you help me

Well, I'm so glad we found each other
We both need someone to hold tonight
So lay your head on my shoulder
And let's go somewhere that's out of sight

Before this night is over, who knows
Two losers might win
And start again

Maybe together, we can get each other over them

Let's get over them together
And burn two old memories
Let's get over them together
I'll help you an' you help me
Let's get over them together
