

I Say Hello

Molella

I say hello, i say hello, i say hello
and now i say, i say now... Hello !!!
I say hello, i say hello, i say hello
and now i say, i say now... Hello !!!

you can change your life,
you have a good time,
put your hands up, so high!!!
Feel your body and you fly,
sing the life, sing with me,
leave your thoughts, look at me,
hear the music, the beat...

and now i say, i say, now i say,
i say, now i say...

Chorus:

i say hello!!! I say i love you,
people all around the world,
people want to sing this song
i say hello!!! I say i love you,
people all around the world,
people want to sing this song,
i say i love you!!!
