Whistle's Party

Aha aha aha aha Ohhhh all the boyfriend beware Ehi baby what's up? What you doin' tonight? Oh yeah I'm going down to the Whistle's Party

The man, leave your boyfriend home and why don't you come with me because It's the place that's gonna make you feel good I don't wanna in not but if you wanna come you just call me, ok? Ciao baby

In the beginning in this time to movin to the left and dancing to the right we shake our bodies at the discotek but now is the time to just feel good

Welcome to the place that feels good Welcome to the place that feels good Welcome to the place that feels good Welcome to the place that feels good

Walking down the street I'm thinking about you I'm thinking all the times the times we're together if you wanna come with me blow your whistle to the beat here I am all alone waiting for you to phone

Blow your whistle let me blow your whistle the whistle let me blow your whistle the whistle the whistle let me blow your whistle the whistle let me blow your whistle the whistle blow your whistle

Welcome to the place that feels good Welcome to the place that feels good Welcome to the place that feels good Welcome to the place that feels good

I'm walking down the street I'm thinking about you I'm thinking all the times the times we're together if you wanna come with me blow your whistle to the beat here I am all alone waiting for you to phone

Blow your whistle let me blow your whistle the whistle let me blow your whistle the whistle the whistle let me blow your whistle the whistle let me blow your whistle the whistle blow your whistle

Blow your whistle let me blow your whistle the whistle let me blow your whistle the whistle the whistle let me blow your whistle the whistle let me blow your whistle the whistle
