

Fly on Wings of Angels (Somer's Song)

Molly Hatchet

"You are my sunshine my only sunshine
You make me happy when skies are gray
You'll never know dear how much I love you
Please don't take my sunshine away"

Vision of a baby child a blessed event in our life
So warm and tender so sweet and kind
When I looked at you I see my life through my Momma's eyes
I held you oh so close to my heart when you laughed or cried

Her eyes were starting to open a chance to finally see
She'd make the sun shine on a cloudy day when she smiled up at me
But it ended way to early, no one could ever answer why
We bow our heads and say our prayers to Somer in the night time sky

Fly on wings of angels my heart and soul you are my life
Somer's with the angels in heaven tonight
Fly on wings of angels, a shining star on a cold and rainy night

Somer's with the angels, so she'll never have to say goodbye

I know that you can hear me 'cause I pray all day and night
With every ounce of energy, with all my might
Your eyes light the pathway to Heaven and they light up the night
And as the light shines down on me I know you're gonna be alright

Fly on wings of angels my heart and soul you are my life
Somer's with the angels in heaven tonight
Fly on wings of angels, a shining star on a cold and rainy night
Somer's with the angels, so she'll never have to say goodbye

I never have to say goodbye

Angels of Heaven I've always loved you
My thoughts and prayers
My hopes and dreams
Is all that gets me through... 'Cause I love you...
