

Ain't It Better Like This

Mónica Naranjo

Oh, yeah
I wanna make love to you (all night)
Wow! You're the bomb!
C'mon c'mon, oh yeah!

Hey I could do it
Anyway you want to
Yeah! You can show me dirty pictures in books
We'll recreate the act
Yes I could do it
Most anyway you want to, my love
But just so my position is clear
I really like the back, back, back, back, back

But oh it's all good for me
Just want you to stay here inside me all night

We'll ain't it better like this boy
Did we rock it til' the break of dawn?
But ain't it better like this boy
Shit you're really turning me on

We'll I could do it, oh yeah
Most any way you want to, my love
Yeah you can show me dirty pictures in books
And we'll recreate the act, act, act, act, act
I tell ya, I could do it, wow
Most any way you want to, my love

But just so my position is clear
Let's take it to the max, max, max, max, max

But oh it's all good for me
Just want you to stay here inside me all night

We'll ain't it better like this boy
Did we rock it til' the break of dawn?
But ain't it better like this boy
Shit you're really turning me on

C'mon, c'mon
You're the bomb, yes!
Oh yeah
But oh you're all good for me
Just want you to stay here inside me all my life

We'll ain't it better like this boy
Did we rock it til' the break of dawn?
But ain't it better like this boy
Shit you're really turning me on
C'mon, c'mon, yes!
You're the bomb
Oh yeah

We'll ain't it better like this boy
We'll ain't it better like this boy
We'll ain't it better like this boy

Shit you're really turning me on
Yes! So good!
