

New Life (Outro)

Monica

What a blessing it is to realize that the only thing that can keep me
from my destiny is me. So I got out of my own way.
Now I'm seeing better days. Trust and believe that you can be.

Won't look back
Won't look back
(Just believe)
I've come too far all of that
(New life)
Won't look back
Won't look back
(Stay strong)
Cuz I know I gotta stay on track
(Hold on)
Won't look back
Won't look back
Come too far all of that
(New life)
Don't look back
(New life)
New new new new life
